TORSTEN WITTE

TORSTEN WITTE got his start as a hair and make-up artist in Germany working in print and commercials until he decided to move into high-fashion, where he honed his craft on the couture runways of Paris, Spain and New York. Torsten books numerous types of jobs ranging from celebrity personal appearances and press tours to music videos and film to editorials, where he can create a vision and look with each client. Although Torsten's bookings are diverse, he enjoys working with musicians to conceive of and develop the artist's brand through the look he creates.

Torsten's celebrity roster includes Michelle Monaghan, Ellen Pompeo, Penelope Cruz, Christian Bale, Toni Collette, Jamie Foxx, Salma Hayek, Brooke Shields, Molly Sims, Josh Duhamel, Greg Kinnear, Zac Efron, Zooey Deschanel, Colbie Caillat, Miranda Cosgrove, Betty White, Rooney Mara and Valerie Bertinelli. Torsten's work has also been featured in the film Little Miss Sunshine, as well as in big-budget music videos with artists like the Rolling Stones, the Black Eyed Peas, Fergie, P-Diddy, the Pussycat Dolls, the Red Hot Chili Peppers, Aly & AJ, Ashley Tisdale, and Vanessa Hudgens. In addition, Torsten has worked on editorials for W, Harper's Bazaar, Rolling Stone and InStyle, as well as commercials for John Frieda, CoverGirl, Cotton, Candies, Guess, Mercedes, iPod, Target and Coca-Cola.
